### **Local Hike!**

On Sunday January 9 we're hiking at the [Elfin Forest Recreational Reserve](#) in Harmony Grove - south east of San Elijo Hills - [map and directions](#). This is a popular hiking area operated by the Olivenhain Water District. It's very convenient and close-in but parking is limited so I suggest we carpool. Here's another description of the [Elfin Forest Recreational Reserve](#) with photos.

### **Hike Details:**

The hike will start at 1:15 PM at the trail head near the main parking lot. We'll go to the top of the mountain via the Way Up Trail - [trail map](#) - and then decide if we want to go east or west of the Olivenhain Reservoir. We'll be hiking about 8 miles with nearly 1,600 ft of elevation change. The first part of the trail is uphill. Then it's almost level on top. The hike is moderate in terms of difficulty. Please arrive early so we can hit the trail exactly at 1:15 PM.

### **Reservations Required:**

This hike will be open to the first 12 people who sign up. Please e-mail me: [home@hribar.com](mailto:home@hribar.com) to reserve your spot and indicate where you will meet us.

If your plans change on the day of the hike - please let me know by cell phone - **760-822-8690** - not by e-mail.

### **Equipment:**

Please review the [Hiking Equipment Suggestions](#).

### **Carpool Information:**

Ride sharing is encouraged to save our precious resources. We'll carpool at 12:45 PM in front of the [Starbucks](#) at the Albertson's Center on El Camino Real and La Costa Avenue. Please arrive early so we can leave promptly at 12:45 PM.

### **Weather Conditions:**

The weather forecast is mostly sunny with a high of 65° F.
